Job Titles: Technical Director/Principal Consultant Highways

Salary: Principal Consultants - £45,000+ pa. Technical Director - £64,000+ pa.

Location: Central London

Terms of employment: Full time permanent

What we're looking for?

We are seeking an experienced environmental consultant, with good understanding of the UK highways transportation sector, including planning and consents process, and with EIA knowledge and experience.

In this role you will:

- Engage with contact base in UK highways sector to establish opportunity pipeline.
- Provide support to business leads to secure sustainable fee-earning projects.
- Coordinate multidisciplinary teams working on infrastructure projects.
- Manage the drafting, assembly and editing of Environmental Statements and reviewing of topic specialists' inputs.
- Conduct and lead desk studies, research, data management and report writing.
- Liaise with internal and external clients and statutory bodies, and public consultation, as necessary.
- Assist with managing and preparing applications which may include Town and Country Planning, Development Consent Order, Transport and Works Act etc.
- Provide thought leadership and innovative thinking to develop differentiated offerings for clients.
- Provide support and guidance to junior consultants and where required, oversee/ mentor their work.
- Apply an understanding of the project lifecycle and the multiple opportunities available to Temple.
- Travel between our company offices, and to client locations as require, in England.

You will have:

- Previous experience of delivering planning and EIAs and working with multi-disciplinary teams, preferably working with engineers.
- Sound knowledge and experience of the UK planning system, plus experience of liaising with planning authorities and stakeholders.
- An understanding of the town and country planning regime.
- Degree level qualification in EIA, town planning and/or other applicable studies.
- Commercial awareness and familiarity with managing budgets as part of project delivery.
- Excellent report writing and communication skills.

Ideally you will have postgraduate qualification in a relevant subject and be a chartered member of the Institute of Environmental Managers (or equivalent) and/or the Chartered Institute of Highways and Transportation.

Please send a covering letter and full CV to recruitment@templegroup.co.uk clearly identifying the position/grade you are applying for and where you saw this opportunity advertised.
