

Job Title: Graduate and Consultant/Senior Consultant – Acoustics
Salary: Negotiable depending on grade and location
Location: London (All Grades) or Manchester (Senior Consultant only)
Role Type: Full-Time Permanent

OVERVIEW

Temple is one of the UK's leading independent infrastructure and property consultancies, specialising in environment, planning and sustainability. We believe in putting communities and the environment at the heart of decision-making.

With a dynamic team comprising of some of the most talented people in the industry, we work on exciting and complex projects where clients can leverage the full value of our insight and commitment.

Our current work portfolio includes: technical support to clients in the private and public sectors, at local and national levels and in the UK and overseas; Environmental Impact Assessments (EIA) and other support for HS2, Crossrail 2, iconic property developments and large regeneration schemes; support to construction activities, including the London Underground Northern Line Extension, HS2 and Thames Tideway Tunnel; a wide range of bespoke planning and environmental assessments – everything from air quality monitoring and Environmental Statement reviews, through to expert witness support in relation to aviation noise.

As we embark on the next stage of our phenomenal success story, we are looking for energetic, enthusiastic and dedicated individuals at **Graduate and Consultant/Senior Consultant** levels to join us on this journey with our **multi-award-winning Acoustics team**. These individuals will work in either our London or Manchester offices and will have the opportunity to work on a variety of projects across environmental and architectural acoustics.

We strongly encourage engagement with industry bodies such as the Institute of Acoustics and as a company are active members of the Association of Noise Consultants.

If you are interested in this role, please send a covering letter setting out what you are passionate about and what you can bring to Temple, stating your current salary and the role/position/grade you are applying for, to recruitment@templegroup.co.uk. Please also attach a copy of your latest full CV

The Roles:

We are seeking a Graduate Consultant and an experienced Consultant/Senior Consultant to further strengthen our Acoustics team.

You will work closely with all internal teams and potentially with our wider group of companies (Temple, The Ecology Consultancy and Arbeco).

For the **Graduate Consultant** role, we are looking for someone with an acoustics degree, an Institute of Acoustics diploma or an international equivalent qualification. Any acoustic related work experience at this level will be advantageous as will Associate membership of the Institute of Acoustics.

For the **Consultant/Senior Consultant** role, we are looking for an experienced acoustician who can manage and deliver their own projects. The successful candidate will be client focused with a positive and proactive attitude, excellent communication skills and happy to work as part of a team.

You will have excellent project management, report writing and client liaison skills, with a keen eye for detail and a positive attitude towards business development. You will lead or contribute to bids for projects of varying scales. Your role within project delivery may be as project manager and or technical lead.

Responsibilities will include coordination and preparation of a variety of acoustic related deliverables and projects including the technical reviews, financial management, preparation of fee proposals, management of the review process and assisting with the training and development of junior members of the team.

Temple provides a wide range of training to its staff including in house workshops run by our experienced team, seminars and presentations from relevant industry professionals in a wide range of environmental, town planning and sustainability disciplines and external project management training.
