

Start a new journey,

help shape the future with Temple

Job Title: Senior Consultant – Socio-economics
Salary: Negotiable / Competitive
Location: Central London or Manchester
Role Type: Full-Time Permanent

OVERVIEW

Temple is one of the UK's leading independent infrastructure and property consultancies, specialising in environment, planning and sustainability. With a team comprising of some of the most talented people in the industry, we enjoy working on the most exciting and complex projects, where clients can leverage the full value of our insight and commitment.

Our current work portfolio includes sites across both the private and public sectors and including major regeneration projects such Barking Riverside and Meridian Water, as well as major infrastructure schemes such as HS2, Northern Powerhouse Rail and Crossrail 2. We also out a wide range of bespoke planning and environmental assignments – everything from air quality monitoring, construction management plans to health impact assessments and expert witness services.

We are seeking an energetic, enthusiastic and experienced socio-economic consultant with impact assessment experience to play a role in delivering our socio-economic assessment portfolio and help to grow our business in this area.

If you are interested in this role, please send a covering letter to recruitment@templegroup.co.uk, stating your current salary, the role/position/grade you are applying for. Please also attach a copy of your latest full CV.

The Roles

The position is for a Senior Consultant to work alongside our socio-economic and environmental consultants and planners in our London or Manchester office.

We are looking for an enthusiastic and motivated consultant who will be part of our planning and communities team. The applicants would need to be client focused with a positive and proactive attitude, excellent communication skills and happy to work as part of a team.

The successful candidates would be expected to have excellent project management report writing and client liaison skills with a keen eye for detail and a positive attitude towards business development. They will have a strong interest in social and economic development and be ready to help us expand our offer through their contribution to proposals and projects across a range of scales.

Responsibilities will include the coordination and preparation of a variety of projects including the technical reviews, financial management, preparation of fee proposals, management of the review process and training / mentoring of junior members of the team.

The Candidate

We expect the successful candidates will:

- Have a social science or research background, with strong experience in impact assessment and socio-economic impact as a specialism.
- Have project management experience and ability to confidently instruct and support more junior members of staff.
- Have demonstrable bid preparation and business development experience, with skills in supporting our senior team in developing new business.
- Have excellent report writing skills.
- Be confident and enthusiastic with excellent interpersonal and communication skills, having the ability to liaise at all levels.
- Be able to work their own initiative.
- Be degree-educated.
- Be a member of an appropriate institute such as the Institute of Environmental Management & Assessment (IEMA) and / or the Institute of Economic Development.

Experience of any of the following would be useful:

- Project management qualifications such as APM, Prince 2 etc;
- Commercial awareness and familiarity with managing budgets as part of project delivery.

Temple provides a wide range of training to its staff including in house workshops run by our experienced team; seminars and presentations from relevant industry professionals in a wide range of environmental, town planning and sustainability disciplines and external project management training.
