Job Title: Senior Town Planner
Salary: Up to 45K depending on experience and skills
Location: London
Role Type: Full-Time Permanent

OVERVIEW

Temple Group is one of the UK's leading independent infrastructure and property consultancies providing specialist planning, environmental and sustainability advice to private and public sector clients throughout the UK. We believe in putting communities and the environment at the heart of decision-making.

Established for over 25 years, the Temple Group consists of Temple Ltd along with our sister companies The Ecology Consultancy and Arbeco and supported by a network of long standing Associates in various ancillary disciplines. Temple Ltd consists of a number of multi-disciplined teams including property; infrastructure; air quality and climate change; noise; and construction environmental management, each of which is made up of a number of professional, experienced and competent consultants. Our company culture is unique and is underpinned by our EPIC values – ethical, personable, innovative and committed which form part of both our professional and personal attributes. At Temple, innovation is not stifled and we actively encourage collaboration, proactive and inventive thinking and the development of bespoke solutions to our clients' projects.

As we embark on the next stage of our phenomenal success story, we are looking for an enthusiastic and dedicated **Senior Town Planner** to join us on this journey.

If you are interested in this role, please send a covering letter setting out what you are passionate about and what you can bring to Temple, stating your current salary and the role/position/grade you are applying for, to recruitment@templegroup.co.uk. Please also attach a copy of your latest full CV

The Role:

We are currently seeking an enthusiastic and capable individual to join our Property Team which consists of chartered town planners, EIA consultants and our communities and engagement specialists.

The Duties:

As an experienced town planner, you know that no two days are the same, and the same can be said for our projects. We work on a range of commissions from gathering background evidence to support a Local Plan or SPD, to setting planning and environmental strategies for high profile, cross boundary planning applications and acting as planning lead for large scale regeneration schemes where there are complex multi-disciplined issues to overcome. In your role, you would principally work on TCPA projects but experience also of DCO/ TWAO schemes would be an advantage. You will be responsible for managing projects with guidance from a senior member of the team; liaising with clients, local authorities, consultants and key stakeholders to proactively move projects forwards; developing strong professional networking relationships with those in the property and planning industry to identify opportunities for business development; work collaboratively in teams to support bids and tenders; and writing and submitting planning applications.

Candidate:

- The successful candidate will:
- Have a RTPPI accredited degree.
- Be MRTPI qualified
- Demonstrate excellent communication skills (written and verbal)
- Be critical thinkers with strong analytical and problem-solving skills
- Be organised, flexible, proactive and professional
- Able to work to deadlines and ensure others do the same;
- Able to deal with and influence stakeholders;
- Able to work independently and holding self to account;
- Able to multitask and have a flexible approach to workload.
